Yesterday was terrible. I went to school by bus and it was raining. I had an English class first, and I had a difficult exam. After that, I had science and the teacher gave us a lot of homework. After class, I ate my lunch because I was so hungry. Then I had maths and geography. The geography teacher gave us a test and it was difficult too. At lunch time I had nothing to eat because I ate my lunch in the morning. I was hungry in the afternoon.

When I arrived home, there was nobody at home. So I had to make my dinner. I made pasta and chicken, but I burned the food. So I ate a sandwich. Then I watched TV and did my homework.

I went to bed at nine o'clock because I was so tired.
