十、阅读短文,根据短文内容选择正确答案。(10分)

In my opinion, the Internet(互联网)is helpful rather than harmful(有害的)as someone else thinks. As is known to all, the Internet is playing a more and more important part in our daily life. On the Internet, we can read news from abroad at home and get as much information(信息)as we can. We can send e-mails or make phone calls to our family as well as to our friends. We can also attend the net school, read many books and even teach ourselves English. We can also enjoy music, watch matches and play computer games on the Internet. We can even do shopping online. Besides(除此之外), we can improve(提升)our ability to operate the computer. But we should not be given to the Internet, or we'll get our life and study destroyed(遭到破坏的).

Besides, We should keep off the harmful websites. Anyhow, this doesn't prevent(阻止)the Internet becoming our friend. We can't throw away the apple because of the core, can we?

- ()1. What's the main idea(主题思想)about this passage?
 A. The Internet is harmful and dangerous.
 B. The Internet is bad and useless.
 C. The Internet is helpful and important.

- ()2. What can't we do on the Internet?
